

PORTLAND BASEBALL CLUB

2009 Media Guide

Advertisement Order Form

Portland Baseball Club offers year-round training opportunities for baseball players of all ages. From off season training to summer teams to a fall baseball league, Portland Baseball Club has all four seasons covered. The Media Guide serves as a fundraiser and promotional piece for Portland Baseball Club. The Media Guide comes out in June every year and provides information on our summer teams, fall league, camps, and other instructional events. Our two summer teams at the 14U and 18U levels play competitive 40+ game schedules against the best competition in the Northwest as well as the top tournaments. The Media Guide contains team schedules, rosters, player biographies, coaching biographies, and more for each team.

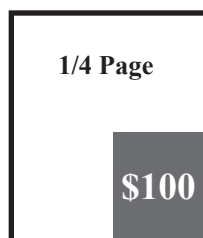

The Portland Baseball Club Media Guide is a great opportunity for your business to support local baseball players. Your advertisement in the Media Guide will help the teams meet their operating budgets which help keep our player fees low. It also gives your business the opportunity to advertise in a professional style media guide, which is distributed at every 14U and 18U regular season, tournament, and post season game as well as during the fall league and copies are available at our indoor training facility.

All advertisements are due by May 29th, 2009. Files should be sent to jtaylor@portlandbaseballclub.com in either Adobe PDF, Photoshop, or Illustrator. If you would like us to develop your ad, you can send your logos and text to the email above and we will produce an ad for you.
