## **PORTLAND BASEBALL CLUB**

Portland Baseball Club was started in 2008 to give baseball players of all ages more opportunities to learn and play the game of baseball in the Portland metropolitan area. We conduct private, small group, and team training as well as hitting leagues, hitting, pitching, fielding, and catching camps, speed and quickness clinics, and much more.

In addition to the training, we also sponsor summer baseball teams at the 18U and 14U age levels. The teams work out year round with our knowledgeable coaching staffs. They play 40-60 games during the summer against the best competition the NW has to offer. They also play in numerous local and regional tournaments.

We also coordinate a fall baseball league for players in high school and junior high school. The league plays on Sundays to allow multi-sport athletes the ability to play. Teams play 10-12 games in an organized and competitive playing environment.
